

Adult Continuing Education Opportunity at BOULDER ELEMENTARY SCHOOL

TECHNOLOGY Workshop

Thursday, January 4, 2018 at 4:30 PM

Join a digital citizenship discussion and help create a positive, safe, responsible culture of internet and technology use.

Learn about Utah's Online Library and the plethora of resources available.

Participate in a Breakout EDU activity that requires critical thinking and collaborative problem solving. Instead of escaping a room, attendees will need to "break into" a locked box by solving various puzzles and codes.

Facilitated by Southwest Educational Development Center (SEDC) Team Members
