Re: Request of Approval for Amendment of Current Land Trust Plan

We would like to reallocate funds in Goal #3 without changing the total expenditures. In addition to having the amendment being approved by our community council, it needs to be approved by the school board.

Currently we have \$249 in *Other Purchased Services (500) for Admission* and \$500 in *Travel (580)*.

We would like to transfer \$129 from *Other Purchased Services (500) for Admission* to *Travel (580)*. The change would be \$120 in *Other Purchased Services (500) for Admission* and \$629 in *Travel (580)*.

This amendment was not approved at our last Community Council Meeting held on April 13, 2016 however a vote was held electronically using the following on Survey Monkey:

**In our current plan for 2015-2016 in Goal #3 I would like to redistribute funds, please vote below so that we are able to have our amendment approved by the school board tomorrow, April 21, 2016.**

**If you are a member of the community council, you must vote! Our members are, Torrian, Ana, Amelia, Alyssa, Judi, Elizabeth, and Haylee.**

Our total expenditures would remain the same for Goal #3 however it would allow a \$0 Carry-Over and have our total expenditures for the field trip be \$100 over budget as opposed to \$229 over budget.

Thank you and I am sorry for the late notice!

Current:

**\$249 in category *Other Purchased Services (500) Admission tickets for events***

**\$500 in category *Travel (580) for travel expenses to Ogden, Rooms and Meals***

Change:

**\$120 in category *Other Purchased Services (500) Admission tickets for events***

**\$629 in category *Travel (580) for travel expenses to Ogden, Rooms and Meals***
