

Boulder Elementary Community Council
March 11, 2015

Minutes

Those in attendance: Members: Toriann Nelson, President, Vikki Thorn, Vice President, Elizabeth Julian, Principal/Teacher , Non-Members: Cheryl Cox, School Board

1. The minutes from 11/12/15 were reviewed by committee members.
2. The committee looked over the school improvement plan for 2014-2015 that was created last year and discussed changes that need to be made. The changes include fluency evaluation using Dibels assessment but monthly instead of testing every two week and assessing comprehension and spelling using the Trophies assessment program. These changes will be completed and sent for approval by the school board next week.
3. Elizabeth and Amelia will complete the progress report and submit on the Land Trust website and also share with the committee members by email. They will also update the school website with the minutes and meeting date changes. They will also create a rough draft for the 2015-2016 plan which will be sent to all committee members on Google Docs so everyone can submit feedback. All feedback received by April 13th will be incorporated into the plan and submitted to the school board for approval for the April school board meeting. Some of the ideas discussed for the next year plan included possible academic field trips, more science instruction for all students, more music instruction for all students along with continued focus on reading and math.

The next meeting will be held on April 29th at 3:30. The committee will make the final vote on the plan and complete the signature page for Land Trust Plan.
