A united and proficient teaching team.

Weekly meetings between the staff to maintain weekly, monthly, and quarterly teaching objectives, as well as have the opportunity to amend objectives.

Continued professional development that best supports the individual learning needs of all students, as well as the school community as set by the school improvement plan.

Evaluations of all staff, including self-evaluations, and follow-up sessions to track improvements based on individual goals.

Action Plan Steps

1. Advertise and hire staff for the 2019-2020 school year.
2. Pay the Head Teacher a set stipend to prepare for professional development trainings and workshops prior to the start of the school year, as well as throughout the school year as needed and for the designated professional development days set by the district.
3. Pay all staff a set stipend for attending all trainings throughout the school year, including one prior to the start of the school year.

All staff agree upon the school objectives set for the year by the Head Teacher in coordination with the school improvement plan and commit to meeting weekly to maintain objectives throughout the school year.

4. Purchase IXL, an online personalized learning program as well as attend online trainings of use and train faculty and staff on best practices and implementation.

Funding Changes

There are times when the planned expenditures in the goals of a plan are provided by the district, a grant, or another unanticipated funding source leaving additional funds to implement the goals. If additional funds are available, how will the council spend the funds to implement the goals in this plan?

The 2019-2020 distribution in this plan is an estimate. If the actual distribution is more than the estimate, how will additional funds be spent to implement the goals described in the plan? Increase the amount available for professional development.
