

# Awe and Wonder

An incredible thanks to Boulder Community Alliance for sponsoring a Nature Program Extracurricular opportunity at Boulder Elementary School

Free for all Boulder Community elementary-age children Fridays in July for five weeks, 9 am-12 pm at BES

Children can participate in only one week or all five!

Email [claire11nelson@gmail.com](mailto:claire11nelson@gmail.com) for additional information and questions.

I am excited to offer an Earth Awareness Program for children called Awe and Wonder.

The class intends to give children a playful and healing opportunity to be with nature. I believe children naturally know how to care for our planet, and these classes are a gift for remembering and learning how to live harmoniously with mother earth, our home.
